

On This Side Of The Sun

By Phat

WEATHER—This is Dewey Day in Los Angeles. After all of those foggy, cloudy, drizzly days they have been having, it should be a relief, at least. . . . Speaking of the weather, aren't these great nights to sleep? . . . It's almost time to put into action again that great invention of mine which gives you two extra hours of sleep nightly. Simple. Suppose you've got to get up at 7. Just set the alarm for 5, when it rings turn it off, give it the Bronx cheer and roll over and sleep two hours more. But don't forget to reset it for 7—as I often do. . . . Gene Sherman, writing in the Los Angeles Times of below-deck heat on a cruiser, says: "Personally, I'll take my heat in Palm Springs."

THE VILLAGE — Old-timers here say that the appearance of all of those crickets means an early fall. . . . Reminds me of a fellow who for years relies on seasonal forecasts by the Indians. One day he asked an Indian why he predicted a cold, long winter. "White man buying plenty wood and coal. Must going to be cold," said the Indian. . . . That pretty Wac lieutenant who did tricks of magic for the city league meeting at San Bernardino last Friday, had plenty of legal advice. When she chose City Attorney A. D. Mitchell of Ontario as one stooge, City Attorney Roy Colegate of Palm Springs laughed so loud, she picked him for the other.

MUSIC — Missed my hour of triumph last Saturday night. While "I'll Walk Alone" was being played as the nation's No. 1 song as forecast here August 4, I was sweating in a stuffy phone booth trying to get a long, long distance call through. . . . Anyway, like they used to say at Santa Anita, "I'll Walk Alone", in sixth place the week before, came out of the clouds to top the nation's tunes this week. . . . Not having listened I don't know how the others did but I believe "It Could Happen to You" will be there soon. . . . I like that "Spring Will Be a Little Late This Year" but Mrs. G. warns me to lay off, says it's too old. . . . But "It Had to Be You" first out even before Roosevelt was president, is on the Hit Parade now.

THIS AND THAT—"Last week you made some wise cracks about Cantor, Gable and Durante being here so all we needed was Bing Crosby to have a specialist's paradise, eyes, ears, nose and throat. You big lug, we DID have that paradise. Didn't you know that Frank Sinatra was in town?" said a Swooner, Class of '44. . . . A Villager, this week commenting on the fact that he had to register, said he was going to sign up as a democrat. He explained that his father and his father's father were democrats and it was good enough for him. "Supposing your dad and grand-dad had been thieves, what about you?" "Oh, I'd be a republican," he said. Having always registered republican, I can tell that yarn.

GROWING — Is Palm Springs growing? Statistics from the Desert School district show that out of 469 pupils registered this week, 207 are new in town. . . . How are your points holding out? A government bureau says 30 per cent of the food produced in this country is wasted before it reaches the table. That doesn't count in the full garbage pails afterwards. . . . Got your Christmas present for the boy overseas in the mails? The army estimates 40 million gifts will be mailed overseas before Oct. 15, the deadline. The local post office is in the midst of a Christmas rush now.

GI LIKES—According to a service magazine, the movies the servicemen like best are those which show 1—Girls in bathing suits, 2—Mention of a home town, especially Brooklyn, 3—Girls in sweaters, 4—Snow scenes of pictures of any cold weather, 5—Girls in night gowns, 6—People drinking — alcoholic, 7—Girls in evening clothes, 8—Heroic action in war (exaggerated cheers), 9—girls in shorts, 10—Any mention of the "romantic South Sea Islands" (Loud boos for this). Seems they like girls. . . . In Missouri a husband sued for divorce, claiming his wife made him do all of the housework, allowed him only car fare out of his pay check, wouldn't let him drive the family car except to take her someplace but the crowning blow was she kept reminding him how much better her four previous husbands had been.

Volunteers to Stage One-Day Clean-up Sunday

Dedicated to the GROWTH, DEVELOPMENT and CONSTANT IMPROVEMENT of AMERICA'S FOREMOST DESERT RESORT

City Ready To Clean Up Next Sunday

Volunteers And City Trucks Will Start Drive Early

Patriotic Palm Springs citizens, 20 for sure and possibly many more, will rally Sunday morning at 8 o'clock at the Safeway store parking lot, ready to sacrifice a day of leisure and the customary extra hour or two of Sunday morning sleep, to see that the Village is spic and span for the opening of the new season.

Under supervision of Frank Britton, foreman of Waste Disposal department, a flock of trucks, from the city and donated by private citizens, will follow behind the workers, gathering up the accumulated trash.

DAWN TO DUSK

Before the day is done, the clean-up drive is expected to rid the city of unsightly and hazardous piles of rubbish, down town and in the residential district. Once the rubbish is gone, the city ordinance which prohibits dumping of trash on public or private property, will be strictly enforced, City Manager Ray M. Sorum said. Once clean, Palm Springs intends to remain that way.

CLUB TAKES IT UP

Last week the Los Compadres club, which hitherto has put in some time each year keeping the desert trails clear, took up the matter and sponsored the plan for a one-day clean-up. At a meeting Monday at the Chamber of Commerce President Herschel Moseley of the Los Compadres outlined the plan to heads of Rotary, Lions club, American Legion and other organizations. All promised to have men on the job.

The drive will start at 8 a. m. Sunday and by nightfall, it is hoped to have it completed.

ROUTES OUTLINED

Mr. Britton outlined the trucks as follows:

Truck 1—Palm Canyon drive, Palo Verde and Santa Rosa tracts.

Truck 2—Indian avenue and the area back of the Colonial House.

Truck 3—Northern section of town.

Truck 4—McManus tract, south west area.

Truck 5—Indian reservation.

Truck 6—Warm Sands tract, northeastern section.

Residents were urged to rake up the rubbish and pile it near the curbs to facilitate the clean-up.

Illick Has Last Laugh, Also Deer

Walter Illick, local salvage chairman and Rancho Trailer Park operator, has a 22-caliber rifle of which he has always been fond. He's more fond than ever this week. Here's why:

Last Saturday Illick and four friends went deer hunting. The four friends were equipped with high-power rifles and all of the latest hunting equipment.

With his little .22, Illick brought down a 175-pound, two-point buck in upper Palm Canyon. The others got nothing, not even buck fever.

To avoid undue embarrassment, Illick thoughtfully withheld the names of his companions.

Bus Service Will Start Earlier and Continue Longer

Tanner Motor Livery, operators of the Citizens Bus Line up and down Palm Canyon drive, were authorized by city council Wednesday night, to expand their schedule three hours. At present busses run from 8 a. m. to 6 p. m. Under the new schedule they will operate from 7 a. m. to 8 p. m. At the same time, council granted an application, presented by Cecil Isenagie, manager for the company here, making the bus and taxicab stop at the southeast corner of Andreas road and Palm Canyon drive a 24-hour stand. It has been a no-parking area from 6 a. m. to 6 p. m. The taxi stand before the Royal Palms Hotel annex will be eliminated.

Wreck Hazard At Windy Point To Be Removed

Windy Point, on highway 111, five miles north of town, will be removed from the list of highway hazards as soon as possible, City Manager Ray M. Sorum told city council Wednesday.

In company with P. M. Swart, assistant director of public works, Mr. Sorum went to the office of E. Q. Sullivan, district engineer for the state highway commission in San Bernardino Tuesday and settled many highway problems here, chief of which was the Windy Point matter.

ON EMERGENCY LIST

Mr. Sorum was assured by engineers that plans have been drawn, money appropriated and all is in readiness for the Windy Point project. It only awaits final approval of plans by the (Please Turn to Page 12)

Crash Toll High Here This Week

Four cars were badly wrecked, two women were hurt and one soldier faces a lot of K. P. duty, all as the result of two automobile accidents here this week.

The first accident occurred at 1:10 p. m. Monday when a panel truck driven by Wendell M. Delano, 16, son of Mr. and Mrs. Phil Delano, of the Palm Springs Drug and Import company, and a light car driven by Mrs. Mable McDaniels, 29, of Palm Springs, collided at the corner of Palm Canyon drive and Tahquitz road.

TWO ARE HURT

Mrs. McDaniels was cut on the left knee and shoulder. Young Delano escaped injury as did Jerry Manley, 15, and Bob Fern, 16, riding with him. Another passenger in the car, Patty Manley, 17, received minor bruises and scratches. She was given treatment by Dr. I. W. Lynn. Both cars were badly damaged. The crash was investigated by Police Sergeant O. O. Johnson.

The second crash occurred at 12:06 a. m. Tuesday. A car driven by Sgt. Morris D. Prince, 20, in negotiating a turn off Indian avenue at the Plaza, failed to straighten out in time and ran into a parked car, badly damaging both machines. The parked car is the property of Lt. Max E. Myers, who lives in the Plaza apartments.

HELD OVER NIGHT

Sgt. Prince was taken to the police station and the sobriety test was administered by Dr. Lynn. He was held in jail overnight and turned over to military authorities in the morning. His companion, Amerigo Zaccara, who disappeared from the scene right after the accident but who was found later, was not held. Policemen Harry Haan and Stephen Smith investigated the crash.

Plans For Old West Day Drawn

Week of Western Dress to Precede Big Day, Oct. 15

Plans for Western Week to be climaxed by a Western parade and Gymkhana at the Field Club were launched at a meeting held at the Chamber of Commerce Monday night when representatives of the Los Compadres club, sponsoring the event, the Chamber of Commerce and other civic organizations and local stables met at the call of President Herschel Moseley of the Los Compadres.

Dates for the big week are October 8 to 15 with the parade and Gymkhana on the latter date.

MEET AGAIN MONDAY

Another meeting will be held next Monday night to further elaborate on the plans.

The idea was originally suggested by members of the Los Compadres club in a move to revive the old traditional attractions of Palm Springs. It was pointed out that the event will not attempt to approach the dimensions of Desert Circus days but will be a week in which western costumes will prevail and the traditions which gave Palm Springs its distinctive air, brought back.

BIG PARADE PLANNED

The parade on Sunday will feature riders from local riding organizations, sheriff's possees from Riverside and San Bernardino counties, riders from all of the local stables, Trav Rogers' stage coach, ranch vehicles and cowboys from the B-Bar-H ranch, representatives from both army posts who have gone in for the Old West idea with enthusiasm, Indians, possibly an Indian band, the excellent band from the 21st Ferrying Group here and others.

The Gymkhana at the Field Club will be free to servicemen from both posts and if an admission fee is charged others, it will be extremely nominal, just enough to cover the cost of any incidental expenses.

Program for City-Wide Services on V-Day Will Be Decided Tomorrow

Plans for a service of thanksgiving on V-Day were completed here today by local churches.

Immediately on announcement of the news, the bell at the Community church will ring and the fire siren be sounded. The entire citizenship is urged to attend the service of rejoicing and thanksgiving which will follow at the Plaza theater.

Fire In Restaurant Quickly Subdued

Fire in the wall at Chuck's Place (Charles Pike's restaurant at Indian avenue and Andreas road) called out the fire department yesterday noon. The blaze was soon extinguished and the damage was nominal.

Origin of the fire is unknown.

Playmate's Blow Fatal to Local Boy

CHANGE IN COMMAND—Lt. Col. Frederick Foerster (right) new commanding officer at the 21st Ferrying Group base here, gets best wishes from Lt. Col. Albert E. Higgins (left) departing commanding officer who left today to assume command of the 5th Ferrying Division in Texas. (Army Air Force Photo.)

Col. Foerster New C. O. at Air Base Here

Lt. Col. Frederick H. Foerster, Jr., is the new commanding officer at the 21st Ferrying Group, Ferrying Division, ATC, succeeding Lt. Col. Albert E. Higgins who has been transferred to Love Field, Texas, to assume command of the Fifth Ferrying Group.

Lt. Col. Foerster has already taken over his new command and Lt. Col. Higgins will depart this weekend for Texas.

IMPRESSIVE RECORD

Lt. Col. Foerster, now only 27 years of age, comes to the 21st Ferrying Group with an impressive record. He is a graduate of the United States Military Academy at West Point in the Class of 1939, and received his pilot training at Tulsa, Okla., at Randolph Field, Texas, and at Kelley Field, Texas. He completed his pilot observation course at Brooks Field, Texas, and served as an observation pilot from July 1940, to July, 1941.

Entering the Ferrying Division as a ferrying pilot in 1941, Lt. Col. Foerster, prior to his assignment (Please Turn to Page 12)

Palm Springs Total Tax Rate Cut 20 Cents

Palm Springs basic over-all tax rate for the 1944-45 fiscal year will be \$4.00 per \$100 assessed valuation compared with \$4.20 last year.

The county rate is \$1.53, 13 cents under last year's figure of \$1.66, the city rate is unchanged at \$1 and the school rate is \$1.47 compared to \$1.54 last year.

FIGURES MADE PUBLIC

Figures on the school rate were made public this week by County School Superintendent E. E. Smith and released by the office of County Auditor Ray T. Hicks.

In the Desert district, the budget for the 1944-45 year was given out as \$121,200 compared with \$96,650 last year. The Palm Springs high school district budget was given out as \$102,220 this year compared with \$146,120 last year.

SOME PAY MORE

Some portions of the city will pay a little more than the \$4.00 rate. Those portions in the Sanitary district will have 14 cents per \$100 valuation added to their tax bill. Six cents of this is for bond and interest payments on the district's indebtedness and eight cents for maintenance. Last year the bond and interest rate was nine cents and the maintenance rate 10 cents. Those portions of the city in the cemetery district will pay an additional one cent, too. Another small portion of the city is in the Coachella Valley Mosquito abatement district and pay an additional three cents.

The break-down of the 1944-41 tax figure as compared with the 1943-44 figures:

	'43-'44	'44-'45
County	\$1.66	\$1.53
City	1.00	1.00
Desert Schools	.74	.78
High School	.78	.68
Junior College	.02	.01

According to Los Angeles reports, Warren Pinney, brother of Judge Guy Pinney of Palm Springs and formerly of the El Mirador hotel, has been appointed chairman of the Democratic Dewey organization in the southland.

Drunk Game Blamed For Tot's Death

Boy Describes Death of Child, 15 Months Old

A "drunk" game in which a Village juvenile, colored, participated Tuesday evening, resulted in the death of little Robert Lilly, aged 15 months, son of Mr. and Mrs. J. C. Lilly of the reservation at Torney General Hospital early Wednesday morning, it was revealed last night as District Attorney John Neblett and Coroner Ben White questioned the youth held responsible.

The boy was taken to juvenile hall in Riverside last night after telling his story to the county officials and Chief of Police Lyle J. Sanard.

DESCRIBES TRAGEDY

The drunk game the lad explained, involves swinging a heavy club in a circle, the centrifugal force aiding in producing a sense of dizziness. When the whirling stops, the club is thrust into the ground.

The lad, suspected of swinging the club, told the officials that he had his eyes closed and was swinging the club when he felt it hit something and found that he had struck the little Lilly child in the stomach. He said he picked him up and placed him in a chair. Then when he resumed his game, he saw the child approaching but kept on playing. When he felt the club strike something again, he tossed his club on a woodpile and went on to play elsewhere.

HIT THREE TIMES

The baby, investigation showed, had been hit in the stomach and two ribs were broken. He had been hit on both sides of the head but the accused lad, questioned by police, insisted that after he had hit him once on the head, he let go of the club and it (Please Turn to Page 12)

Villager Missing in Action

Word was received this week that 1st Lt. Norman Bruce Clendenen, son of Norman Clendenen, until recently a resident of Palm Springs, has been reported missing in action in China. He was the pilot of a B-24.

Mr. and Mrs. Clendenen are now residing in Pasadena and expect to be down here for a month later in the season.

Lt. Clendenen was stationed at Blythe last winter and was a frequent visitor in the Village where he was well known.

Coyote's Trip Into Town Fatal

Police Sergeant Orest Johnson went game hunting this week.

Called to the 1000 block on North Palm Canyon drive by a woman who said a "tame" coyote had attached himself to the household, Sgt. Johnson found the coyote was just so sick he craved human companionship.

So the sergeant unshes his trusty gat and put the animal out of its misery.

Now he is known as "One-Shot Johnson."

In Crack-Up Here
By Pilot's Skill**

The flying skill, technique and excellent judgment of First Lieutenant Otis Page, pilot stationed at the 21st Ferrying Group here, probably saved the lives of his crew and his own when his twin-engine bomber was forced to make an emergency landing, due to mechanical failure of the aircraft, on the desert near the local air base.

Neither the pilot, who was instructing on the flight, nor his companions, including Second Lieutenant Dallas Q. Burford, copilot and Second Lieutenant Edwin S. Wilcynski, student passenger, were injured in the emergency landing which resulted in complete destruction of the aircraft, according to Lt. Col. Frederick H. Foerster, Jr., commanding officer of the 21st Ferrying Group, Air Transport Command at the Army Air Field here where the plane was based.

The emergency landing occurred approximately three miles north of the Palm Springs Army Air Field. A board of qualified Army Air Forces officers will be appointed to determine the exact cause, in detail, of the crash.

Latest Butter Story

Via the Editor & Publisher and an inspired copy reader on the Detroit News comes this snappy head about a Michigan man who originated a soya-bean butter which costs no points:

Forget About Points**ANNIVERSARY — Col. A. B. Jones, commanding officer at Torney General Hospital, who last Friday started his 31st year in the U. S. Army.****Colonel A. B. Jones
Celebrates 30th
Year In Service**

Passing the day quietly at his desk discharging routine hospital duties, Col. A. B. Jones, commanding officer of Torney General Hospital, celebrated the 30th anniversary of entrance into the Army last Friday.

Col. Jones assumed command of Torney April 27, 1912, reporting from the Army and Navy General Hospital, Hot Springs, Arkansas, where he had been on duty since 1910.

ON COLLEGE STAFF

A graduate of Atlanta College of Physicians and Surgeons (now Emory University School of Medicine), Col. Jones interned at Grady Memorial Hospital, Atlanta, Georgia, and returned to his alma mater as assistant professor of pathology and bacteriology for two years.

His graduate work includes a special course in internal medicine at the Mayo Clinic, general medicine at the Army Medical School, Washington, D. C., and a course in arthritis at Columbia University Medical School, N. Y. He was certified by the American Board of Internal Medicine in 1937 and is a Fellow of the American College of Physicians.

In September, 1914, Col. Jones was commissioned in the Medical Reserve Corps, reporting for active duty Sept. 15. He was reappointed in the Medical Corps in July, 1915. On May 20, 1941, he received his commission as Colonel.

During his 30 years army duty, Col. Jones has been stationed twice in the Hawaiian Islands, at Tripler General Hospital, Honolulu, and later at Schofield Barracks. He has served two tours of duty at Letterman General Hospital, San Francisco, eight years in all; in addition to less extended assignments at other important army medical centers.

SONS IN ARMY

Two sons of Col. and Mrs. Jones are now in the army. 2nd Lt. Henry F. Jones, Transportation Corps, who participated in the Invasion, and Pvt. A. B. Jones, Jr., an ASTP medical student at Georgetown University, who will be home for his mid-semester furlough soon.

Most light bulbs have a life of from 1,000 to 3,000 hours. You will save bulbs and electricity by turning them off when not needed. Use good quality bulbs of the right size for your needs. A 100-watt bulb gives more light, costs less to buy and less to operate than two 60-watt bulbs. Buy lights with the proper voltage rating for your current.

Points to Active Season; All Classes
Show Great Increase Over Last Year**

Enrollment at Palm Springs schools showed a sharp increase when schools opened this week, the opening day attendance far surpassing the opening day last year and a steady increase being reported throughout the week.

At the close of the first day of school, Monday, there were 439 enrolled in the Desert (elementary) district and 174 in the high school. On the opening day of 1943, there were 379 in the Desert district schools and 128 in the high school.

RAPID INCREASE

During the week there was a steady gain in the Desert district, and Miss Katherine Finchy announced the enrollment as of yesterday noon as follows:

Frances Stevens	258
Nellie N. Coffman	110
Cahuilla	75
Cathedral City	26

An interesting comment by Miss Finchy reveals a significant trend.

MANY NEW FAMILIES

If the 469 pupils enrolled, Miss Finchy said, 262 are former pupils of the school and 207 are new, never having been in Palm Springs before.

Many of the classes had to be split into two separate groups because of the great enrollment. The staff, which was thought adequate for all needs this term, already is being enlarged to meet the great growth.

AT HIGH SCHOOL

Enrollment at the high school was 174 the first day with seven new pupils registering Tuesday and Wednesday, making a total of 181 yesterday. Last year there were 128 in school the first day

and 135 at the end of the week. Enrollment by classes, Dr. E. E. Oertel, principal, reported, was 52 freshmen, 44 sophomores, 39 Juniors, 38 seniors and one special. All classes showed a substantial percentage of gain.

**Miss Thyrsa Cohen
Returns From Beach**

Miss Thyrsa Cohen of 1187 Granvia Valmonte, has returned to the Village after a summer spent a Ocean Park.

It was while she was summering at the coast that she read an appeal by boys of the air force for the loan of a pair of coolers.

She didn't have any to loan so she bought two coolers for the air base group, earning their undying gratitude.

Mr. and Mrs. C. B. Self of 130 Morongo road, had as guests over the weekend Mrs. Self's brother, Clifford A. Self, dental technician, U. S. Navy, and his friend, David Whitehead also of the navy.

City Manager Ray Sorum was authorized by city council to attend the one-day business session of the California League of Municipalities scheduled for Oct. 23 at the Ambassador Hotel, Los Angeles.

Killing time is the easiest way to murder opportunities.

**Study Reported
Unjust Feature of
License Measure**

The city's license ordinance which provides that business license fees are due on July 1 and delinquent after July 31, a 10 percent penalty being added after that day, was under study by the finance committee for possible revision.

City Manager Ray M. Sorum Wednesday night called attention to the council to an apparent injustice in the act in that new firms starting up in business here after Aug. 1 were subject to the 10 percent penalty. He recommended that new firms be exempt from the provision and pay just the regular annual fee.

The recommendation was referred to the finance committee.

**Salary Changes
Voted By Council**

Salary adjustments occupied the time of city council Wednesday. Slight advances were made in all departments.

On recommendation of City Manager Ray M. Sorum, it was voted to pay volunteer firemen \$1.50 for every call they answer. He pointed out that the paid staff is small and that the services of volunteer firemen are needed and should be encouraged.

2400 Ballots Sent to Armed Forces By County Clerk

With applications still being received, County Clerk G. A. Pequegnat has mailed out more than 2400 soldier ballots to men and women in the armed services, he revealed this week. The ballots went to places all over the world.

Applications received from unregistered county members of the armed forces automatically registered the applicants who were sent ballots.

Civilians who expect to be absent from their precincts on election day were reminded they may apply in writing any time up to Nov. 2.

Leo Paquette Back to Re-Open Garage

Leo Paquette has returned from a summer spent in Detroit and Canada and plans to re-open his garage at 308 North Indian avenue along about October 1.

Pay Telephone Bills before the 30th and receive your discount.

John D. Carlile to Manage Dining Rooms At Chi Chi

John D. Carlile of Los Angeles has been appointed by Irwin Schuman, proprietor, manager of the Chi Chi dining rooms and is now in the Village preparing for the opening of the popular cafe on October 6.

Mr. Carlile is an experienced cafe man and has been maitre d' hotel at renowned resorts throughout the world including the Royal Hawaiian hotel at Honolulu, Shepard's at Cairo, Thelma Todd's a Malibu and countless others for the past 21 years.

He arrived in the Village last week and at once plunged into plans for the new season which is expected to be the busiest in recent years.

While Mr. Carlile manages the dining rooms at the Chi Chi, Jack Lasley will continue as manager of the lounge.

Mrs. T. E. Tutt, 85, mother of Mrs. Walter Illick, who has been visiting her daughter here, is at the Vista Sanitarium in Corona this week for a rest. Mrs. Illick took her mother to the Circle City this week.

Villagers Mailing Packages Early, Says Postmaster

Villagers are mailing their Christmas gifts to their boys and men overseas early.

Postmaster R. M. Gorham today said that gift parcels for men overseas started coming in on the first day of the designated dates for mailing such packages—last Friday—and have been coming in briskly ever since. Final date for mailing gift parcels overseas is Oct. 15.

An added service has been added by the postoffice department this year—packages of eight ounces or less may be registered. Heretofore no parcels could be registered. As most of the more valuable gifts such as watches or wrist watches are small, this news will be welcome to gift senders.

"The main thing to remember, however, is to mail your gifts as early in the Sept. 15 to Oct. 15 period, as possible," said Mr. Gorham.

Blue Points Jump On Items Left On Ration Schedule

While many processed food items went off the ration list last Monday, consumers aren't going to have too many points to spare for those items still rationed were increased from two to five times.

When nearly all vegetables, special products and all fruit spreads went off rationing Monday, the OPA put higher points on all processed foods still rationed.

For example, peaches, pears and pineapple, which had an old point value of 43 points per No. 2½ can, have been increased to 80 points. Pineapple juice was increased from 25 to 50 points for a No. 2 can, tomatoes which had a value of 5 points for a No. 2 can, are now 20 points. Catsup and chili sauce also went up sharply.

Red point values for meats, butter, margarine, cheese, canned milk and canned fish remain unchanged.

These values are effective until Sept. 30.

Sunburned Wrist Reveals Loss of Valued Bracelet

When Mrs. W. Richards of Wilmington, Calif., returned from a hike up Tahquitz canyon last Saturday night, she had a very sun-burned spot on her wrist and it suddenly dawned on her that the bracelet she had been wearing had disappeared. The rest of her arm had a protective coating of tan but the spot where the bracelet had been, took a beating from the sun on the day's hike.

She reported her loss to the police.

But while she was hiking in the hills, an unidentified youth saw something shining at the bottom of the pool at the Palm Springs hotel. He dove in and came up with a bracelet.

He reported his find to the police.

The police put two and two together and got the usual answer. Mrs. Richards recalled she had been in swimming Friday evening—and that was when and where she lost the bracelet.

Kofeldt In L. A. to Attend 2 Meetings

Walter Kofeldt, executive secretary of the Chamber of Commerce attended a two-day session of the Pacific Coast Transportation Advisory board, of which he is a member, in Los Angeles Wednesday and Thursday of this week.

Wednesday, next week, Mr. Kofeldt will attend a meeting of the Southern California Chamber of Commerce executives, to be held at the Biltmore hotel, Los Angeles.

Mr. and Mrs. F. A. Schumann of Eagle Rock have taken a place at 146 Morongo road and plan to spend the season here. Mr. Schumann recently retired from an executive position with the Chrysler company in Los Angeles.

Mr. and Mrs. Frank W. Camp, who spent the summer in Hollywood, have returned to the Village and have re-opened their home at 776 Mission road.

For Essential Transportation—U-Drive Cars. Phone 4444.

Karolyn Dee Back In Village Ready For Great Season

Karolyn Dee, graduate masseuse, who operates the Indian Natural Mineral Baths at 118 North Indian avenue, has returned from Dayton, Ohio, where she spent the summer, to open the new season here.

The baths are now open and the establishment has been completely redecorated for the new season which Miss Dee expects to be one of the busiest in years.

Last season she administered to the needs of 10,000 patrons and expects even more this season.

Third Busy Season At Desert Sweet Shop Under Way

Mr. and Mrs. W. H. Copeland this week started their third season at the Desert Sweet Shop, opposite the Desert Inn, with a fine line of delicious home-made candies, featuring all of the latest ideas in confections.

All of the delectable items on display at the Desert Sweet Shop are made right in their own kitchens in Palm Springs.

Mr. and Mrs. Copeland were fortunate to obtain a supply of shipping tins for overseas shipping and are already handling many overseas gifts. Gifts for men in the service in foreign lands must be shipped before October 15.

Loss In 2 Fires \$200,000, Estimate

The fires which raged in mountain areas south of Palm Springs three weeks ago took a toll of damage estimated at \$200,000, State Ranger J. W. Tomblin told county supervisors this week.

One fire, in the Santa Rosa area, burned for six days while another in the Aguanana district was not subdued until after 18 days.

Seems There's No Privacy Now, Even At Private Pools

Residents of Palm Springs whose places contain swimming pools, were surprised upon their return after the summer's absence to find that strangers had been making use of the pools.

One woman, just back after a three-month absence, said that even her return did not deter intruders. In the seven days she has been home, 14 persons have calmly made use of the pool and grounds and seemed to resent her intrusion on their sport.

A man said that he came home one evening to find a merry group of picnicers draped around his pool, calmly enjoying a box luncheon and tossing the refuse into the water.

Tailored Lady Opens With More Room, New Stock

The Tailored Lady, Ruth Sushan, proprietor, opened the new season completely remodelled and redecorated this week with fifty per cent more floor space available. A mezzanine floor has been added and the main floor re-arranged to provide the added room for display of quality merchandise.

Miss Sushan this week expressed her gratitude and appreciation to Palm Springs artisans who, despite difficulty in obtaining materials, went steadily ahead and did a beautiful job, and to Harry Williams, architect, who supervised the work.

Miss Sushan plans a special sale tomorrow, a sort of "at home" when her many friends and patrons are invited to drop in and see the remodelled store and the new complete stock she has installed.

John W. Williams Family Back From Idyllwild Summer

Mr. and Mrs. John W. Williams and daughters, Marian and Helen Louise, have returned from Idyllwild where they spent the summer months.

Miss Marian has returned to Claremont where she started her junior year in Pomona College the first of the month. Miss Helen Louise, who graduated from Palm Springs high last June, has enrolled at Redlands University and will start her studies there Nov. 1.

Thousand Palms Man Dies In Riverside

Grover Pickens, 59, of Thousand Palms, succumbed at Riverside county hospital Tuesday shortly after he had been brought there by county ambulance. Coroner Ben F. White said death was due to natural causes.

Pickens had been a resident of the desert region for 10 years.

BUY WAR BONDS REGULARLY—HOLD THEM TO MATURITY

Weber's BREAD-TIME STORIES

KITCHEN TRICK

WHEN A RECIPE calls for toast as a base for creamed dishes, spread bread slices with melted bacon fat before toasting in oven. This will help save your points, and it will taste delicious.

HOUSEHOLD HINT

IF YOU HAVE any chairs that keep snagging your stockings, try coating the rough spots with colorless nail polish. Don't forget to use fine sandpaper first to take off the roughest spots.

RECIPE

SWEET AND SOUR TOMATOES

4 large tomatoes 1 tbsp. brown sugar
1 clove minced garlic 1 tsp. minced parsley
1 tbsp. vinegar 2 tbsp. salad oil

Cut tomatoes in half and put them out side down in a teaspoonful of hot fat in frying pan. Brown, then turn and season cut side with a mixture of remaining ingredients. Lower heat and let simmer until tender.

PEACE INVESTMENT

BUY WAR BONDS until you have more than your full "quota". Victory's on the way. Help clinch it by buying War Bonds and more War Bonds. You'll be repaid in many profitable ways. Buy more—now!

FLAVOR-FRESH

MORE THAN OVEN-FRESH—or store-fresh—Weber's Enriched White Bread is flavor-fresh. That's why it makes such fine toast and sandwiches. Also, Weber's contains the vitamins and minerals found in whole-grain cereals. Your grocer has it.

Rev. Hogarth At Laguna Gathering

The Rev. Robert M. Hogarth was in Laguna Beach this week to present John Raymond, a former parishioner, for ordination. Before coming to Palm Springs, Rev. Hogarth was vicar at St. Mary's at the beach resort.

Episcopal Church Sunday School to Start On Sept. 24

Sunday school at St. Paul's in the Desert, Episcopal church, will start this Sunday with sessions at 9:45 a. m., the Rev. Robert M. Hogarth, vicar, said this week. Seven classes will be formed at present beginning with preschool age youngsters. More classes will be added as necessary.

DESCRIBES COURSE

The course of lessons to be followed, the vicar said, will be the Episcopal church series which is based upon the Scriptures with reference to Church, faith and practice.

"Children are urged to take their lesson leaflets home and ask their parents for help in private study," said Rev. Hogarth. "In case of absence through illness or other causes, lesson leaflets will be sent them through the mail."

CHOIR IS READY

A vested choir will lead in the singing at the opening service every Sunday morning. Choir members were requested to come early, about 9:15, for practice. The parish choir will begin work for the season under direction of Sgt. Richard Tippin, tenor soloist, accompanied by Miss Aileen Carey at the organ. It will be composed of a quartet of adults and young people of high school and junior high age. Auditions will be given to new members at any regular rehearsal on Fridays at 4:30 p. m.

Next Sunday, Rev. Hogarth will preach at the morning service on "A Human Tragedy: No Epitaph."

Harry E. Stillans At Cedar Springs

Harry E. Stillans of 271 East Andreas road, has gone to Cedar Springs to take charge of the industrial branch of the Boy's School located near there.

While here, Mr. Stillans was an active worker in the Seventh Day Adventist church.

Works of 2 Local Women Artists On Display At Exhibit

Two local women, members of the "Women Painters of the West," Pearl Harder Guenther and Margaret Edgerton Moore, had their paintings hung in the recent National Santa Paula exhibition.

Mrs. Guenther's "Sunset Over San Jacinto" and Mrs. Moore's "Bean Ranch," both oils, were shown.

Mrs. Moore has a "one man show" this summer in the lobby of the building at 811 West Seventh street, Los Angeles, where seven of her canvasses hang.

Bullocks to Open Village Store For Season Tomorrow

Bullocks Palm Springs store on the Desert Inn grounds, will open for the season tomorrow with John E. Ballard who came here last year, returning as manager. Mr. Ballard succeeded Harris E. Posey when the latter went into the United States navy.

John Palmer of the Los Angeles Bullocks store, will be in charge of the men's shop this season and Mrs. Helene McGonagle, who has for several years been in charge of the lady's shop, will be on the job again there.

Most of the old members of the efficient staff will return this season.

Coupon A-13 Good For Four Gallons of Gasoline Today

New A card coupons became available today and the first in the new book, A-13, were being cashed by many motorists for four gallons of motor fuel.

There are six coupons in each series, each good for four gallons, and as the A-14s will not be good until Dec. 22, motorists who depend on A cards will have to get along with eight gallons per month, 120 miles of driving according to OPA reckoning.

For Essential Transportation — Yellow Cabs. Phone 4444.

New Assemblyman Plans Active Fall, Covering District

Philip L. Boyd, assemblyman-elect from this district, this week started a series of meetings which he expects to take him to all parts of the county to become more fully acquainted with the needs and desires of the people of his district so that he can adequately represent them at the state capital when the next term of the legislature convenes in January.

Wednesday he went to Arlington where he addressed the Lions club of that city that night. Yesterday noon he was in Riverside, a guest at the luncheon meeting of the woman's division of the Riverside county Republican assembly.

Today he is in Los Angeles attending a luncheon given in honor of Gov. Thomas E. Dewey, who is speaking in the southland this weekend.

Auto Club Crews Repairing Signs On Desert Roads

Signposting crews from the Automobile Club of California this week were installing warning and directional signs and shield markers on U. S. Highway 99 and in repairing existing signs.

During the latter part of the week similar work will be done on 60-70-99 to Palms Junction and from there into 29 Palms.

A sign postng crew is also due along State Highway 111 this month to repair or replace damaged signs.

For Essential Transportation — Yellow Cabs. Phone 4444.

CHRISTIAN SCIENCE CHURCHES

"Reality" will be the subject of the Sunday Lesson-Sermon in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. The Golden Text is from James: "Every good gift and every perfect gift is from above, and cometh down from the Father of lights; with whom is no variable-ness, neither shadow of turning."

In his Gospel John writes, "In the beginning was the Word, and the Word was with God, and the Word was God. . . . All things were made by him; and without him was not any thing made that was made."

This selection from Ecclesiastes is also included in the Lesson-Sermon. "I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it: . . . That which hath been is now; and that which is to be hath already been; and God requireth that which is past."

Mary Baker Eddy says in "Science and Health with Key to the Scriptures": "The Bible declares: 'All things were made by Him (the divine Word); and without Him was not anything made that was made.' This is the eternal verity of divine Science." "The spiritual reality is the scientific fact in all things."

Mr. and Mrs. Roth Open Ramon Park Two Weeks Earlier

Ramon Trailer park, which originally planned to open for the season on Oct. 1, opened Sept. 15 instead because of the early arrival of many trailerites in the Village.

Mr. and Mrs. Leonard Roth are the new managers and are looking forward to renewing old friendships with their many friends of the highway. The Roths have travelled by trailer all over the United States for the past seven years, studying and learning what the tourist demands in accommodations and entertainment.

New attractions are planned at the trailer park as soon as supplies and labor are available. In the meantime, the park will concentrate its entertainment in the Recreation hall, a fully-equipped store and fountain.

The people in Riverside county will soon have the opportunity to elect Frank Dunbar, San Jacinto Real Estate man and Rancher, to the State Senate. Phil Boyd in the Assembly and Frank Dunbar in the State Senate will give Riverside county the two fine outstanding new state representatives in Sacramento this county needs.—Adv.

The Tailored Lady

Newly Remodeled Shop

Miss Ruth Sushan invites you to visit her beautiful new shop—and wishes to express her appreciation to the artisans who did such wonderful work, promptly and efficiently during these trying days of shortages of materials and workmen.

Especially does she wish to thank Mr. Harry Williams, architect for the Carnell Building and the Plaza, who planned and supervised the improvements;

Mr. Charles Adams and Mr. William Fellen, who did the carpenter and cabinet work;

Mr. Joe Brimer of the Coachella Valley Electric Co., who did the electrical work;

Mr. Charles Gallinger, who did the painting;

Mr. Ben Barnes of the J. & B. Consturction Co., who put in the Mezzanine Floor;

Mr. Earl Young of the Air Base, who assisted during his off-time from Army duties;

The Dill Lumber Co. and the Builders Supply Co., who supplied the lumber, steel, hardware and other hard-to-get materials; and the Fuller Co., who supplied the paints. To all of these we express our thanks.

San Jacinto Livestock Auction Opens September 30

Opening date for the San Jacinto Livestock auction has been set for Saturday, Sept. 30, it has been announced by Harry Hofmann, owner-manager. Hoyt Banks, one of the most experienced men in the Southwest, will be the auctioneer.

In addition to all kinds of livestock, farm equipment, household goods and miscellaneous items will be offered. Anything of value will be put under the auctioneer's hammer, it is stated.

Sales will be held every Saturday following the Sept. 30 opening at the Hofmann ranch, located on De Anza drive at the intersection of North Lyon street near San Jacinto.

Start Over Again

"This theory of governing children by appealing to their reason isn't all it's made out to be," said a worried school teacher recently. "A youngster needs a little spanking once in a while."

One of my boys had skipped his classes, deceived his mother, been found out, and caused much unhappiness all round. I took him aside, and we had a heart-to-heart talk. Johnny sat still, looking at me intently.

"I thought I was making great headway. I never saw a child who seemed so absorbed, even fascinated, by my line of argument. But you can never tell. Just as I had reached the climax in my appeal to his better self a light of discovery broke over Johnny's face."

"Please, teacher," he said, "it's your lower jaw that moves, isn't it?"—Exchange.

Before The War

Pepper entered the restaurant, seated himself at a table and picked up the bill of fare.

"What would you like?" inquired the waiter.

"Egg," barked back Pepper, "boiled but not too soft and not too hard."

"Very good, sir," said the waiter. "Anything else?"

"Toast," went on the diner, "thin, not too hard but well browned."

"Any special design on the egg cup?" said the waiter desparately.—Montreal Daily Star.

Production of 12,782 electric ranges in the third quarter of 1944 has been authorized to three manufacturers without interfering with war work.

GI Joe

We're looking with glee To that day when we're able To leave once again Our tray on the table.

—Patterson Field Postings

THE VOICE—A bevy of beauties warble with the Voice, in "Step Lively," new musical starring Frank Sinatra, with George Murphy and Gloria DeHaven at the Palm Springs theater next Sunday and Monday.

"I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

It has been interesting to get ready to go abroad in war time. The traveler must have State Department permission and a reason for the trip, and must have the approval of the countries into which he is to go. He must be "self-contained," for between scarcities and rationing he can buy practically nothing abroad.

Here's a puzzle for you, if you want an evening's amusement. Better than a cross word puzzle.

Figure out you're going on a trip which will take you from the hot weather of Washington, through the uncertain temperatures of the plane trip, then for several weeks in the changeable weather of England, which can be delightful or very cold and very damp, and finally back on a ship where you'll want the heaviest suit and coat you can carry. Figure you'll have to be self contained. You can buy no clothes; have little laundry done;

get no soap abroad; carry your own medicines and toilet articles. Then, having gotten together this accumulation of items, each one of which you'll think of as necessary" weigh them all, including the bags, and including everything except what you actually have on. KEEP THE TOTAL UNDER 55 POUNDS. Try it sometime.

Efforts are being made to arrange for Congressman Ellsworth and me to get to Italy before coming back home. The situation there is critical. The United States made certain overtures and certain promises to the Italian people if they would quit the war. Even if we had not made them, human considerations would make it desirable to get food and clothing and medicines there to help a people with a 50% mortality among the children, from malnutrition, and with a rapidly rising index of disease. The medicines are ready and piled high; the food is ready; the

clothing is being eaten by the rats and moths. (P. S. by JP—not if it's the same kind of "wool" they made the uniforms out of in 1917, it isn't eaten by moths!) I have just this moment realized that I shall be in London "when the lights come on again." What a night that will be! For five years there have been no lights. Think of children five years old who never saw a street light; of children seven or eight who can't remember. The date for the lights is understood to be the 17th.

Dewey On Foreign Policy

The million of Americans who have waited eagerly for specific pronouncements on foreign policy from Governor Thomas E. Dewey, Republican candidate for President, had a chance to appraise both his views and his actions recently, when he both challenged the opposition on its activities and assented to cooperate with Secretary of State Hull to find a better path for our nation to tread in the future.

Developments came fast after Governor Dewey issued his statement in which he championed the rights of small nations to help write the peace to come. Secretary of State Hull invited Governor Dewey to send a representative to talk over foreign policy. Dewey quickly responded by appointing John Foster Dulles, noted student of foreign affairs, as his personal representative.

Further, Governor Dewey asked Mr. Dulles to confer with Wendell L. Willkie, the 1940 GOP standard-bearer. Willkie readily agreed to confer with Dulles and it is likely that from this conference will come new thoughts that will benefit the entire nation.

Every American who has believed, and has wanted to believe, that this war is being fought for something besides another era of power politics—and, eventually, another war 25 years from now—can obtain renewed hope and courage from the Dewey statement on foreign policy, issued shortly before the "big three" met at historic Dumbarton Oaks in Washington to make preliminary peace plans. In his statement, Dewey reveals again his broad vision and emphasized once more his capacity for basic thinking.

As always, he outlines the "areas of agreement" in American life, rather than trying to split the people into opposing camps. He declares: "The American people are agreed upon the need for world organization. It is a bi-partisan objective. It has been repeatedly urged by the Republican Party and its leaders. The future of the world will depend upon the ideals, the sound thinking and the justice of the results achieved at these conferences."

The task of defeating the enemy, as Governor Dewey points out, of necessity falls on the shoulders of the big four—America, Britain, China and Russia. However, as he makes equally clear, if these four nations try to rule the post-war world, we will "sink into the abyss of power politics."

"As Americans, we believe with all our hearts in the equality and the rights of small nations and minorities," Dewey declares. "We believe in the essential equality and dignity of the individual, wherever he lives. We believe in his right to freedom as well as our own. We do not believe that we or any other power has the inherent right to control his destiny. We are fighting this war to a victorious conclusion for these very principles. They must not be lost in a cynical peace by which any four powers dominate the earth by force."

Few intelligent Americans will disagree with Dewey that "the kind of world organization we seek must concern itself with the basic causes of world disorder. . . . It must promote a world opinion that will influence the nation to right conduct. . . . It must develop international law. . . . It must create an international tribunal to deal with international disputes."

The small nations will like this Dewey statement, for it has been a long time since they heard any such reassuring words from the White House; the idealists will like this statement, for it makes clear that Dewey has not supposed, cynically, that wars are inevitable and cannot be kept from our shores; the practical men of America will like this statement—and the subsequent Dewey moves—because they know that the small nations in the past have been the powder-kegs by which the explosions of big wars have come about—and that any peace that leaves out the small nations leaves out ghosts of potential conflict that may rise to haunt us again in another generation.

Facts Behind The Headlines

Staggering wartime increases in the traffic burden of the railroads have brought an inevitable increase in rail accidents. Unfortunately, the accidents rate headlines while the traffic increases are reported on the back page. Actually, in proportion to passengers and freight handled, the railroads are setting a magnificent safety record, and back of that record are years of research and scientific development.

These are facts which should be balanced against the headlines when news of that rare occurrence, a train accident, is flashed across the country.

Scores Register Here in Response To Proclamation

Registration week in Palm Springs saw a steady line at the city hall where Mrs. Louise McCarn, deputy registrar, saw to it that scores became eligible to vote in the Nov. 7 election.

Mayor E. E. Theriau had proclaimed this week Registration Week and the response was great. Deadline for registration falls on Sept. 28, next Thursday.

Navy Life's The Life Says Villager

Joe Sandeffer, Palm Springs high graduate, who went into the U. S. Navy shortly after completing his school studies, was in the Village last weekend visiting his parents, Mr. and Mrs. Joe Sandeffer, here.

Navy life agrees with him he said and he stepped on the scales to prove that he had gained much weight since he went in.

The first successful American beet sugar factory was established in California in 1879.

A German soldier captured in France had written the following in his notebook: "Blessed are those who retreat for they will see their homeland again."

Under an edict issued in 1890 by Alexander III, all Jews were compelled to migrate from the interior of Russia to the western provinces.

A factory investigator finds that women can endure noise as well as men can. Why not, after years of training at bargain sales?

Lt. Ted McKinney Now Calls Egypt His Home Address

Lt. Ted McKinney, well known Palm Springs youth, son of Mr. and Mrs. O. S. McKinney, now calls Egypt "home."

A letter received by his parents this week reveals that he has been moved to some place in Egypt and expects to be there permanently, or, at least, "until I am moved again."

He has been in North Africa for some time and says living conditions are not at all bad and that he is near a large town. He has made trips to several different nations and has seen many interesting sights, he wrote his parents here.

He was promoted to first lieutenant during the summer, his letter told. He was a pilot with the Ferrying group at Long Beach before going overseas and prior to that was in an Arizona glider school.

"I have been keeping in close touch with Palm Springs while in Africa through the Desert Sun which I receive regularly. Have it follow me into Egypt," he wrote.

Portrait of the Week

By BERNARD
of Hollywood

This is what is known as a sister act. . . . Last week it was Katherine, this week, Gloria A. Lamont. . . . born in New York but now a Villager. . . . and in the provost marshal's office at Torney General Hospital. . . . only 19 but has travelled over the most of the United States. . . . just back from a New York vacation. . . . hobby, painting and has some exceptional landscapes to her credit. . . . likes swimming and dancing and Palm Springs.

Dewey Will Speak At Los Angeles Coliseum This Evening. Broadcast On Nationwide Hookup, Starts At 7

Southern California will honor Governor and Mrs. Tom Dewey in true Southland style, at the Los Angeles Memorial Coliseum on Dewey Day tonight.

Credit Bureau to Be Established by Stanton Griffing

Stanton Griffing, well known accountant, plans to establish a new business in town to fill a long-felt need—an adequate and complete credit bureau.

When the Palm Springs Business Men's association was functioning a few years ago, an excellent credit bureau was operating here but since the BMA affiliated with the Chamber of Commerce, the credit bureau was gradually dropped.

Mr. Griffing plans to be associated with the National Credit Bureau and plans a complete service to the community in connection with his other activities.

Council Will Act On New Bus Depot At Oct. 4 Session

Application of R. R. Dunlap, Palm Springs agent for the Pacific Greyhound lines to establish a bus station at the corner of Indian avenue and Andreas road, site of a present service station, was referred to the Planning Commission when presented to city council Wednesday.

Mr. Dunlap told councilmen he would have to move from his present Plaza site on Oct. 15 when his lease there expires. Little alterations are needed at the new site, he said.

Council assured him that speedy action would be taken so that the new station could be ready in time.

John S. Barcome, Republican County Chairman in charge of all arrangements for the huge show at Los Angeles Memorial Coliseum the night of September 22, has announced that the vast seating capacity of the Coliseum, which accommodates 105,000, will be overtaxed by the scores of thousands eager for a glimpse of the dynamic G. O. P. candidate.

David O. Selznick and Cecil B. DeMille, film magnates, both of whom were delegates to the Chicago convention, are handling the Hollywood end of the Coliseum show.

EXPECT HUGE CROWD

Barcome revealed also that requests have been received from a number of large war plants in the Los Angeles area for reserved sections to be assigned to thousands of their workers who are eager to hear Dewey.

Arriving in Los Angeles from San Francisco in the morning, the candidate, Mrs. Dewey, and seven members of his personal staff who are accompanying him will proceed to the Los Angeles City Hall for an official visit to Mayor Fletcher Bowron.

PLAN RECEPTION

They will proceed to the Biltmore Hotel where a press and radio conference will follow. Immediately thereafter the candidate will preside and speak informally at a luncheon in the Biltmore Bowl to which hundreds of Republican leaders have been bidden. The afternoon will be devoted to political conferences, with a trip to a major war plant scheduled if the time is available.

Doors of the Coliseum will be thrown open at 6 p. m. with the show to start at 7 p. m. to be broadcast over a nationwide hookup.

TO OPEN PLAZA — Bing Crosby and Rise Stevens are a new hit team starred in Paramount's "Going My Way," with James Brown, Jean Heather and Barry Fitzgerald. This picture will open the season at The Plaza theater next Thursday night. It will be shown one night only.

The Desert Sun—7

Today's the Last Day of Summer But It Hasn't Been Bad

There was only one day in the past week that the temperature topped the 100 mark. And the minimum got down to 50 degrees one morning. The reason?

Summer is on its last legs. At 11:02 p. m. tonight comes the seasonal change over. Summer passes out and autumn starts in.

Last year, summer went out in a blaze of glory with the thermometer mounting to 114, about the highest it has hit all year this year on the last day before autumn. After that there were a few days of 100-degree temperature and then the mercury dropped to the comfortable 80s and 90s for the long fall, winter and spring stay.

Long time residents of Palm Springs claim this has been the mildest summer for many, many years.

Sinatra Broadcast Attracts Big Throng

Plaza theater was crowded Wednesday night when Frank Sinatra, Joan Blondell and a large augmented band put on Sinatra's weekly broadcast from the Village.

Sinatra's show was announced over the CBS network as coming from the 21st Ferrying Group, Palm Springs Army Air base.

Head of Ferrying Division Visitor At Local Air Base

Brigadier General Bob E. Nowland, who was appointed Commanding General of the Ferrying Division, Air Transport Command, last month, paid his first visit last Wednesday to the 21st Ferrying Group at the Palm Springs Army Air Field here.

It was one of the many Ferrying Division installations General Nowland has visited on his flying tour from his headquarters in Cincinnati, Ohio.

STAFF WITH HIM

With the Commanding General were his staff, which included Lieutenant Colonel A. A. Barrie, Lieutenant Colonel A. G. Oliver, Lieutenant R. J. Williams, Major R. G. Devlin and Captain E. W. Burton, pilot.

The Commanding General and his party were greeted here by Lieutenant Colonel Frederick H. Foerster, Jr., new commanding officer of the 21st Ferrying Group, his staff, and by Lieutenant Colonel Albert E. Higgins, retiring commanding officer here who goes to Dallas, Texas, this week to assume command of the Fifth Ferrying Group at Love Field.

WORLD WAR I VET

A World War I veteran, an experienced and skilled Army pilot, and recently, Chief of Staff of the Air Transport Command in Washington, D. C., Brigadier General Nowland was high in his praise of the local air base. "I think it is one of the finest of the smaller Ferrying Division installations," he said. And, in speaking of future war activities, stated that Ferrying Division installations in the west would assume greater importance as the fighting activity increased in the Pacific.

Brigadier General Nowland is an officer whose excellent background and military record will reflect favorably in future Ferrying Division activities which are now assuming greater importance in the war effort and in which the 21st Ferrying Group will take a vital part.

If the F.B.I. really wants to round up saboteurs, we know some people who leave soap on shower bath floors.

Cathedral City

By W. R. HILLERY

Have you registered? This week we who are deputy county clerks for registration will receive a letter from County Clerk Gordon A. Pequegnat telling us to mail in or bring in all affidavits of registration at the close of business Sept. 28. That is next Thursday. I don't know how many Cathedral City will lose by death and moving away but new registration will give our community far more voters than we have ever had before. Remember if by election day which is November 7th, you have been in California one year, in Riverside county ninety days and in Cathedral City (village and farms near here) forty days and citizenship and age are OK, then what are you waiting for? I'll be glad to help you.

Our genial chamber of commerce president, James K. Wolseth, is here for the season and will again operate their Desert Lodge and wife, Mary, energetic community worker and past president of the local Woman's club, will resume her duties as school nurse at Indio and will commute to her home here.

Frank Kuzma is about the streets after a vacation away. Mr. and Mrs. Melrose were here preliminary to a season's stay after summering in Montana. Mrs. John J. Grove ran in for a "hello" after the summer in Los Angeles but will not settle in her Palm Springs home until the first of the month. Her property on the corner of Encelia Lane, the Highway and Grove street, will be occupied by E. E. "Jack" Page for at least the next year as he has taken a lease of the property.

Horace M. Allsberry and family are back for the season and we will probably see additional improvements made to the Allsberry home as material is made available. They are now voters here.

Someone asked me the other day why I had never mentioned the illness of Mrs. Leo Brown and I confessed I didn't know about it. I understand that Mrs. Brown, who was very well liked by all who knew her, has been seriously ill for several months now in a hospital. We are sorry to learn that recent reports indicate she is not improving.

A. T. "Dad" Cobb is back for some winter sunshine. Relative Miss Dolly Piper who is assisting postmaster Edna Cobb, is making a hurried trip to the coast after which she will be a regular at the postoffice.

My Marguerite's two aunts, Mrs. Nellie Heard and Mrs. Sarah Hudson, have returned to their Rockwall Cottage after a summer in Banning. The third and oldest sister, Margaret Jennings, became so ill two weeks ago that she was rushed to Loma Linda

Hospital and to date has been too ill to leave that institution.

Prof. and Mrs. James W. Kyle are in the village, but I have a hunch his work continues at Redlands University for at least a part of another month.

Now here is news. Just learned that Navy aviation man Stanley Craig is home on a 30-day leave after long service in Brazil. Although his service also took him to Africa and Alaska. Haven't seen you "Slim" but glad you are here with your mother and father. I also hear that your older brother, Richard, of the artillery service, is due this Thursday for a short three day visit with his folks before overseas detail. We certainly wish you boys the best of luck.

Saw George Randevelie in Palm Springs so presume they are back and will reopen the Totem Pole cafe. We certainly need a full scale restaurant not but that "Tiney" Henry is doing a swell job with her more abbreviated service at the Date Shop.

Though not unexpected, we were sorry to learn of the death of Mrs. Medora Springs, wife of Fred E. Springer at Pasadena on Sept. 13, 1944.

The Springers have lived here in Cathedral City for many winters, going to Sleepy Hollow in the summer but recently her ailments required hospitalization and they were in Pasadena. A most interesting life ended with her death. Born in Virginia, she was an army nurse in Cuba during the Spanish-American war while Fred was serving in the Philippines in the same war. Her enthusiasm and energy in things American was active throughout her life. Even during her recurring spells of illness she often served on the local post with Fred during the long drag of two years while the post was active. We have not learned where her ashes are to be placed after a private funeral but there is a strong probability they will be interred in Arlington National cemetery where service entitled her to be buried. Many tributes came from their host of friends here and the community joins me in sympathy to Fred.

I have made no mention of the opening of school as I was away on a sad mission. I'll report about the schools next week.

I had just returned from taking our aunt to Loma Linda when I was advised that an older brother, Robert N. Hilleary (yes, the spelling is right in his case) had been taken to a Los Angeles hospital. This was followed on the 14th by a wire that he had passed away. My brother, Bob, was a kindly man of many virtues. This was attested by the large number of "Sourdoughs" who attended his funeral last Sunday in Los Angeles. Bob was born in Dutch Flat, California, in 1875. Most of his active years beginning in 1897 were spent in Alaska and the Yukon. In recent years he had suffered ill health. For a number of years he owned a duplex dwelling in Cathedral City although he never lived here. Aside from his four brothers, he is survived by a married daughter in Oregon. I have sat before the typewriter now for some time but there is nothing more I can write. I want to take this opportunity to thank our local friends for their kind remembrances.

Mrs. Merrill N. Phillips with master Merrill, arrived this week to resume school in Cathedral City. Mr. Merrill is expected next week from Big Bear where the Phillips' have spent the summer.

Five Permits, One For School Job, Issued This Week

Five building permits with a total value of \$1295 were issued by Arthur F. Wright, building inspector, this week. Total for September is now \$5575, involving 12 permits.

For the year to date, 173 permits have been issued for a total value of \$76,605.50.

This week's permits:

Mrs. Suzanne Jeffery, 122½ South Indian avenue, remodel, \$35.

Frances S. Stevens school, remodel for work shop, Albert Frey architect, R. S. Pinckard, contractor, \$1,000.

Marie Trott, 249 South Indian avenue, remodel, \$95.

F. W. Watson, 234 North Palm Canyon drive, remodel, \$65.

Herbert Mennell, 132 North Palm Canyon drive, remodel, Harry Williams, architect, \$100.

Woe Is Me

It was a somewhat chagrined British Tommy that was recently brought back to England for hospitalization. Questioned as to his wounds, he sheepishly pointed to the chart attached to his bed: "Bitten by a sow in Normandy."

Legion Discusses District Session Due Here Oct. 22

Plans for the coming convention of the 21st District, California American Legion, to be held here Oct. 22, were discussed by Owen B. Coffman post, American Legion, Tuesday night in a meeting at the Dugout.

The convention will be a one-day business affair on Sunday, Oct. 22, and will be held at the Frances S. Stevens school. Representatives from 16 posts in the district, which covers the county area, will be here.

Delegates will arrive Saturday afternoon and a dance is planned that night. Details of the Saturday night program will be announced later.

The lowest temperature ever recorded in Rome is 16 degrees above zero.

Lt. Comdr. Gibbs Hopes To Be Home During Holidays

Mrs. E. E. Gibbs and children returned to Palm Springs this week from Washington, D. C., where she has been with her husband, Lt. Commander Earl E. Gibbs, prominent Villager and former head of the Civilian Defense Council.

They will remain in the Village until the holidays.

Lt. Comdr. Gibbs is hopeful that he can wrangle a furlough during the holidays and be home for Christmas.

Discovers Home Broken Into But Nothing Missing

When Mrs. Bradsheet Miller returned to her home here for the season, this week, she was confronted by a mystery.

Some time during the summer, while she was gone, somebody broke into the residence by cutting a screen and breaking out a pane in a window.

A thorough check of the house revealed that nothing had been disturbed and that the intruders had confined themselves to the room which they had entered.

Some burnt paper matches and a match book folder bearing the name "Camp Lockett" were found on the floor, indicating the entry had been made at night.

But when and why is the mystery.

Willard Wright Back In Village

Willard Wright, who when in the house-moving business here, gained fame by moving in some of the big palm trees which are now Village landmarks, was in town this week.

He has been engaged in a large house-moving contract in India and is going to Yuma where he has another large moving contract. After that he hopes to return to Palm Springs.

Among the big palm trees which Wright moved are those at the northern gateway to the city.

Mr. and Mrs. Harry Klonick returned to the Village this week end to re-open their home at 875 North Patencio road for the new season. They have been spending the summer at their home in Hollywood.

For Essential Transportation—U-Drive Cars. Phone 4444.

Save Your Ration Application Stub Warns Board Chief

Be sure to save the stub from your application blank which was returned to you with your new A card.

William A. Lippman, chairman of the Palm Springs War Price and Rationing Board this week warned Villagers that this stub is highly important.

"A record of all future gasoline mileage rations issued will be entered on the reverse side of this stub by local boards as such rations are issued," Mr. Lippman said. "This record must be presented each time new rations are requested by the motorist."

A reminder that upon receiving the new "A" coupons every motorist should immediately endorse each coupon with the license number and state of registration of his car was also given by the ration executive. Unendorsed coupons are not valid and subject to confiscation when found.

Canyon Cafe Will Re-Open Under New Management Soon

Louis P. Marin-Covich is re-opening the Canyon cafe, formerly Marcus cafe, at 370 North Palm Canyon drive, on Sept. 28 or 29, he said this week as he arrived in the Village to prepare for the opening.

He comes here from Hollywood where he operated a restaurant specializing in sea foods. At the Canyon Cafe he will also specialize in sea foods in season as well as a large varied menu of other items.

Haven of Beauty Opens For Season

Miss Margaret Stigmon has returned to the Village from Meeks Bay, Lake Tahoe, where she spent the summer.

She has re-opened her "Haven of Beauty" salon at 439 North Palm Canyon drive for the new season and reports that business was brisk the opening day.

Three From Village At League Session

City Manager Ray M. Sorum, City Attorney Roy W. Colegate and City Councilman Walter Z. Allen represented Palm Springs at a dinner meeting of the Citrus Belt division of the California League of Municipalities held last Friday evening at San Bernardino.

Entertainment preceded the dinner and instructive talks on city affairs followed.

Capt. Bob Maxwell, public relations official at the army air base, returned last weekend from Cincinnati where he spent a week at a conference of public relations officials of the Ferrying Division, Army Transport Command.

Enlargement Plans For La Cita Cafe Announced Today

Big changes are under way at the La Cita where Louis Thomson, manager, is preparing for re-opening on October 23.

The apartments at the La Cita will be greatly enlarged, a second story being added to the present apartments in the rear and two wings two stories in height to be added, providing a large U-shaped structure of modern apartments and adding accommodations for fifty persons.

In the center of the U there will be a swimming pool.

The patio in front of the cafe will be enclosed with glass arches and between the walk and the present patio will be a sidewalk cafe. All new construction will be of the Spanish type, changing the appearance of the entire place. In the enclosed patio will be a huge fireplace.

Mr. Thomson plans to employ two full crews from chefs on down and plans to be open from 8 a. m. to 10 p. m. daily serving all meals.

Work will start on the front of the structure immediately and on the apartment project after Nov. 1.

Plans For 3-Day Hotel Association Sessions Drawn

Earl Coffman and George Roberson of the Desert Inn were completing final details for the annual business session of the California State Hotel association which will be held here October 10, 11 and 12.

In excess of 225 delegates are expected, those from the northern end of the state will come via Southern Pacific. Two days will be devoted to business affairs of the association and the third day to pleasure. The annual banquet and ball of the association will be held on the closing day.

Many entertainment features have been mapped. One of the features will be a barbecue on the Mashie court at the Inn. There will also be swimming and diving exhibitions, a putting contest and other events including special entertainment for the ladies.

Noted Botanists Guests In Village

Mr. and Mrs. Hugh Deering, noted botanists, who are doing research work in the west preparatory to an authentic volume on plant life, were guests this week of their friends, Mr. and Mrs. O. M. Ward of his city.

The Deerings were on their way home to Santa Barbara after three years in Arizona, studying the native plants of that state.

Plaza Theater to Re-Open Thursday With Fine Picture

The popular Plaza theater will be opened for the new season next Thursday with its opening picture Bing Crosby's "Going My Way".

The picture will be shown for one night only and a packed house is anticipated as it is a picture scores have been waiting for.

George Strebe will again head the staff as manager with Pat Mutascio as projectionist and the usual staff of pretty usherettes.

Wounded Officer Center of Reunion

There was a re-union of the Weyand family here this week when wife, father and mother of Lt. Melvin J. Weyand, now at Torney General Hospital recovering from wounds received in Italy, came here to see him.

Mrs. Margaret Weyand of San Jose, his wife, arrived early in the week. Albert H. Weyand, of the U. S. Navy dropped in for one day from San Diego and Mrs. Albert H. Weyand, his mother, who lives at San Leandro, spent two days here.

All were guests at the Casa Margarita.

Mrs. Florence Kronenberg and daughter, Joanne, of Cleveland, Ohio, arrived this week to be the house guests of Mr. and Mrs. M. M. Pavy. Mrs. Kronenberg and her husband were here seven years ago on their honeymoon and she found many changes in the Village since then.

The principal plant crop of North America is weeds.

Sgt. J. D. Lawhorn Graduates From Paratroop School

Sgt. James D. Lawhorn, son of Mr. and Mrs. B. A. Hudson, Palm Springs, has won the right to wear the wings and boots of the United States Army Paratroopers. He last week completed four weeks of jump training at Fort Benning, Ga., during which time he made five jumps, the last a tactical jump involving a combat problem on landing.

Jumping at the Parachute school at Fort Benning has steadily developed to a recognized war science. American paratroopers have been recognized throughout the world for their meritorious actions against the enemy.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney Army General Hospital, Palm Springs (Pfc. Ted W. Engstrom)

DAILY CLASSES CONDUCTED FOR ITALIAN NATIONALS

"Le Italiano Classe, attenzione! Oggi noi studiamo, a traduca, e addizionale le parli a mio vocabulario inglese." With these words Pfc. John Fallon, of the Torney General Hospital Educational Reconditioning program, twice daily calls his class of Italian Service Units' patients to order.

From ten to fifteen patients are learning to speak English and in but a short time after joining the class are able to express themselves in our language. In his four months of teaching this class, Pfc. Fallon has worked out a system of daily mimographing lessons which have been adopted by several other similar groups working with Italian prisoners of war in various centers in Southern California and Arizona. The students assemble these lessons in folder form and thus are able to keep a semi-permanent textbook for reference upon discharge from the hospital. All Italian ambulatory patients attend these classes as a part of the hospital reconditioning program. One member is a graduate of the University of Naples, another of the University of Genoa in Italy. There are others who are practically illiterate in their own language. It is of course necessary for Pfc. Fallon to strike a happy medium of instruction in conducting his classes. The morning period is devoted to a study of reading and speaking English while in the afternoon hour the students discuss and read Italian and English literature. In addition to this, the aid of the phonograph is employed in teaching the patients to learn the language, as well as listen to songs sung in their native tongue.

MINUTE MEN NAMED

Minute Men have been selected from the civilian personnel in the various departments to help put across the 6th War Bond drive, at Torney General Hospi-

tal, which starts soon, and to encourage employees to take out Class 'A' Pay Reservations, increase their present deductions and buy bonds for cash. Those selected include: Mr. Adams, Jean Bybee, Dorothy Fanning, Ruth Fassero, Louise McManus, Neta Lanning, Munya Smoot, Lettie Nichols, Rebecca Owens, Florence Stevens, Rhea Kirkpatrick, Melba Welton, LaVurne E. Jones, Gertrude Larson, Grace Morrison, Florence Lahman, Emery Sawyer, Roy Miller, Leslie Timmel, Charlotte Reisman, Myrtle Canon, Irene McDonald, Dorothy Jeffers and Betty Hudspeth.

PLAN NEW PROGRAM

Plans for the formation of a Civilian Club for all civilian employees of TGH were formulated at a special meeting of the Civilian Employee Council held Friday afternoon. The building formerly housing the NCO club is to be used as the headquarters for the new organization.

The meeting also accepted the resignation of Florence Geraghty as chairman of the Employee Council and named Leta Lanning, Marcella Schultz and Esther Harris as a nominating committee to present nominations for president and vice-president at the next Council meeting.

NEW OFFICER ARRIVES

Capt. Donald A. Shaskin, MC, has arrived at Torney General Hospital from Camp Callon, California, replacing Capt. Brunon Bielinski of the Neuropsychiatric section who has been transferred to Camp Callon.

Plumbing License Up to Planners

City council referred to the Planning Commission an application of Wayne Stringer to renew a plumbing license at 410 North Indian avenue after a lapse of one and one-half years. Stringer presented his case Wednesday evening to council and was promised action on Oct. 4, next meeting of council.

GUARDSMEN COMMENDED BY NSC GENERAL

Major General David McCoach, Jr., Commanding General of the Ninth Service Command, at Fort Douglas, Utah, paid tribute to State Guard units for their "excellent work in dealing with disaster work throughout the country during past weeks."

The Army Service Forces General, in urging all eligible men, especially discharged service men, to join such organizations, declared "local communities are looking more and more to the State Guard for assistance in time of emergency."

Five states—Washington, Oregon, Idaho, California and Utah—within the geographic limits of the Ninth Service Command have State Guard organizations.

Colonial House Permit Is Renewed

The Colonial House nightly dance permit was renewed for the new season Wednesday when council passed favorably on the application of Thelma Wertheimer Davis.

City Manager Ray M. Sorum said that in company with P. M. Swart, the premises had been inspected and approved.

Community Church Choir Rehearsals To Start Tuesday

Community church choir rehearsals, under direction of Holly Lash Visel, musical director, will start Sept. 26 at the church and all former members are urged to be present.

Mrs. Violet Fowler will assist with the grammar school choir which will meet Tuesday at 3:30 p. m. Miss Betty Neese will lead the junior and senior high school girls' choir which will meet Tuesday at 7 p. m. and Miss Violet Frazier will be president of the senior choir which will meet Thursday at 7:30 p. m.

Air Freight Gets Underway as Big Load Starts East

H. M. Wilson, manager for the American Airlines here, will leave next Monday for Fort Worth for a conference on air freight service recently inaugurated by his company. Air freight became an actuality last week when the first air freight tariff ever filed by an air line was filed by the American Airlines in Washington, D. C., and at Burbank 5,000 pounds of spinach from southland farms, started east. It was the first full plane load shipment of one commodity.

Mr. Wilson believes that in the future, the local port will become a loading zone for perishable freight from the Coachella valley.

No action was taken by city council Wednesday on receipt of notice that Louis Marinovich had applied for an on-sale beer license at the Canyon cafe, 370 North Palm Canyon drive.

Read the Classified.

Robert S. Dudley Training At New Air Force School

Aviation Cadet Robert S. Dudley, son of Mr. and Mrs. E. R. Dudley of Palm Springs, has reported at Carlsbad, New Mexico, where he will receive advanced flight training in high-level bombardiering and dead-reckoning navigation.

The Carlsbad school is the newest bombardier school in the army air forces training command.

During the 18 weeks training course, Cadet Dudley will study bombardiering and dead-reckoning navigation under simulated combat conditions. On graduation he will be awarded silver bombardier's wings and will be ready for active duty as an officer in the army air force.

Plaza Yarn Shop Ready For Big Year

The Plaza Yarn and Junior Shop at 140 South Palm Canyon drive opened for the new season last Saturday with a new stock purchased by Mrs. Myrtle Lyon Taylor during the summer months.

Mrs. Taylor spent part of the summer in Old Mexico, going from there to the east coast. After her buying was done, she took a brief vacation at Jackson Hole, Wyoming, before returning to the Village.

A New York insurance agent has lived 78 years without talking either one of his arms off.

Drivers' License Tests to Be Given Here Twice Monthly

Through the cooperation of Assemblyman Nelson Dilworth, Chief of Police Lyle J. Sanard and City Manager Ray Sorum, Palm Springs, motorists this winter will have services of a driver's license examiner twice monthly.

Mr. Dilworth wrote this week that the department of motor vehicles had assured him that an examiner would be sent here twice monthly from October until May.

EXACT DATES LATER

Exact dates on which the examiner will be here will be announced soon.

Prior to this spring, Village motorists whose licenses were about to expire, had to go to either Banning or Indio where the twice-a-month examinations were in force. Then Chief Sanard and Assemblyman Dilworth were able to effect an arrangement whereby an examiner was here for two days every other month.

ARE HERE TODAY

The final two-day stand under this arrangement is in progress today and tomorrow. From next month on, examiners will be here two designated days each month to renew drivers' licenses.

"I am very glad that it has been possible to arrange this for your community and wish to thank the city council and the police department for their cooperation."

Joshua Tree Studio Re-Opens For Year

The Joshua Tree studio, Mrs. Hetty Dudley, proprietor, opens Saturday in a new location, No. 13, the Plaza, opposite Desmonds. Mrs. Dudley put in the summer vacation obtaining new stock for her shop in preparation for a busy season.

Griest Re-Opens Desert Watch Shop

Ralph Griest of the Desert Watch Repair, No. 11, the Plaza, opened this week for the new season.

With Mrs. Griest and three sons, they have taken a house at 1837 Mirasol avenue.

Masonic Club Will Meet Tuesday Noon

Palm Springs Masonic club will meet next Tuesday noon at the Del Tahquitz hotel in regular monthly session. All local Masons and visiting Masons are urged to attend. Reservations may be made by calling 3417.

The American pronghorn antelope, *Antilocapra americana*, is the only hollow-horned animal which annually sheds its horns.

Surprise!

Miss Katherine Nau pounded a typewriter for 45 years while in government service in Washington. Recently she retired and her co-workers presented her with many gifts, one a typewriter.

Don't Worry About
Tire Inspection
Slip, OPA Has It

Don't worry because your tire inspection slip was not returned to you when you got your new A book. William A. Lippman, chairman of the local rationing board, says you were not supposed to get it back.

The stub which the board returned with your A book takes the place of the tire inspection slip insofar as renewal of gasoline rationing is concerned. When a new tire request is made, the tire inspection record is made right on the application slip.

But if you have been in the habit of keeping a record of your tire serial numbers for protection in the case of theft, get your tire serial numbers at once and keep them in a safe place for reference, said Mr. Lippman.

Soda Fountain At
Base Needs Clerks

Soda fountain clerks, both men and women, are urgently needed to work in the Post Exchange of the 21st Ferrying Group at the Palm Springs Army Air Field, according to Captain Samuel Vincent, Post Exchange Officer.

Excellent working conditions are offered in an air-cooled building, with good hours and pay offered. Civilians interested in this type of work are urged to contact in person Capt. Vincent at the local Air Field immediately.

Desert Inn Barber
Shop In Operation

The Desert Inn barber shop opened for the season yesterday with Frank Dexter as manager, assisted by James McNaught. Madison Watson is in charge of the shoe shining stand.

Mr. and Mrs. Stein
Return to Village

Mr. and Mrs. Al Stein of the Frontier Shop have returned to the Village and are preparing to open their store on October 1.

They spent much of the time in New York where they bought many leather goods items for their store as well as jewelry. Mr. Stein spent some time on the Jersey shore where he got in a lot of fishing.

Jimmy Partridge, son of Mr. and Mrs. Frank Partridge, was in Palm Springs last weekend visiting his parents and renewing old acquaintanceships.

Mrs. Bertha Carter was appointed a member of the city hall staff by city council Wednesday evening.

Rationing Rules

Your Coupon Schedule

Shoes—Airplane stamps 1 and 2, Book 3, good for one pair of shoes each, no expiration date.

state department of public works, and authority to advertise for bids.

Another important result of the visit was the assurance that the dirt dikes along each side of Highway 111 in the Araby district, would be removed at once. Residents of the Araby district recently petitioned to have the dirt removed as they feared it would serve as a dam and create a flood hazard.

ENGINEER HERE

D. S. Wieman, maintenance superintendent for the commission in the Palm Springs area, conferred with Mr. Sorum yesterday afternoon on the project.

Mr. Sorum also reported that action will be taken at the junction of Highway 111 and South Palm Canyon drive to erect a directional sign pointing the way to Cathedral City. He said many residents in that area had reported being awakened at night by autoists inquiring the way to Cathedral City.

CREWS ON WAY

Automobile Club of Southern California Signposting crews are nearing the city and will erect the sign some time soon, he was told at San Bernardino.

He also reported that the highway engineers had approved the curb and gutter plan on North Palm Canyon drive and also the plans for a Western Day parade on the drive on Oct. 15.

Council Debates Recreation and Postwar Plans

Recreation, post-war plans and the acquisition of the Field Club were wrapped up in a long discussion at council chambers Wednesday evening which resulted in City Manager Ray M. Sorum and the planning Commission getting three problems for further study and report.

Councilman Armand Turronet brought up the matter of post war projects and moved that a fund be earmarked for construction of a city hall. The state has provided a matching fund for acquisition of sites and plans for postwar projects. The act provides that cities must match the state funds and have a definite plan.

STARTS DISCUSSION

Palm Springs' allotment of this fund is \$4969. Councilman Turronet moved that the city earmark \$4969 of its funds for purchase of a site and plans for a city hall as its project. The motion was seconded by Councilman C. P. Adams.

In the discussion which followed other councilmen said that while a city hall was needed, there are other postwar projects also badly needed, such as sewers, street lights, road work and so on.

LOSES, 5 TO 2

City Manager Ray M. Sorum, to whom the question was referred, said many things were needed and that he would counsel further deep study. When the motion was put to a vote, it was defeated 5 to 2, Turronet and Adams voting yes.

Mayor E. E. Therieau asked all councilmen to give the matter deep study and be ready with suggestions next meeting. A county postwar meeting is scheduled Oct. 11 when cities will report on prospects. The matter was referred to Mr. Sorum for preparation.

Mr. Sorum told councilmen that Palm Springs was lagging in its postwar planning and urged action.

FIELD CLUB DEBATE

Closely allied with the postwar planning discussion was the matter of purchase of the Field Club. Mayor Therieau introduced the subject in filing a report for the committee of the whole which has been studying the project. He said the Field Club offered to sell to the city for \$38,000, payable \$15,000 the first year, \$17,000 the second and \$6,000 the third.

Councilman Clarence Hyde, opening the debate, said that eight out of ten people he had interviewed on the streets favored the proposition not only as a recreation project but as a park. He believed the city should make a big project of it and a center for civic activities.

ASKS MORE STUDY

Councilman Culver Nichols advocated a thorough study of the city's recreational needs and a study of sites and plants before acting.

Mayor Therieau said it was his opinion that the city's biggest industry was the tourist industry, defining that as the city's winter residents. He said it is a resort and that a resort needs recreation. Referring to the city hall project, he said that if and when there are no tourists, there would be little city left for a city hall. He said there were a multitude of uses for the Field Club and that it would be foolish to let it go now. He added that the city has been "fooling around with the project on a lease basis for four years" and should act. The club should have been bought four years ago, in his view.

STANDS BY VIEWS

Councilman Turronet said he was sticking by his stand that the city should by necessities before luxuries and that the Field Club was a luxury. He said the city must have recreation but that it should start at the bottom and work up instead of at the top and work down.

Councilman C. P. Adams wanted to know where the money was coming from. The budget doesn't provide for it, he said. He for one, he added, didn't want to play

Santa Claus to Field Club stockholders. This drew the response that many of the stockholders of the club had donated their stock to the city and that the rest were getting 30 cents on the dollar.

Councilman Turronet thought the matter should be left to a vote of the people but Councilman Maurice McCann said he considered that when he was elected the people of his district elected him to vote for their wishes at the council table.

VOTE IS DELAYED

After considerable more discussion, Mayor Therieau asked for a motion but City Attorney Roy W. Colegate interposed an objection. He declared that under the law, all matters of purchase of land must go before the planning commission first.

On motion of Councilman Turronet, the matter was then referred to the commission for further study.

Along with the recreation project, Councilman Turronet reported on progress of negotiations with the Tribal Committee of the Palm Springs Indians and William Veith, Indian agent, for lease of a tract of land near Ramon and Indian avenue, facing on Indian avenue 495 feet and extending eastward 529 feet.

SENT TO COMMISSION

He said it was ample for recreation purposes and could be leased for \$480 per year.

City Attorney Colegate interrupted the motion to close the deal with the advice that this, too, should be referred to the planning commission for study and recommendation.

It was so ordered.

Here's a tip to facilitate mending large holes in sweaters. Place a piece of netting under the hole, then darn with matching wool. The netting serves as backing and makes a better darn job possible.

Every gain the Yanks and Russians make means that many more unpronounceable names behind us.

Kingcobra Emerges 10,000th Fighter Off Production Line

America's aircraft industry has done a job once thought impossible in producing thousands of combat airplanes to battle the axis powers in the global war. Here is the 10,000th fighter plane turned out by one major company in a little more than three years. It is the new high-altitude P-63 Kingcobra fighter, manufactured by Bell Aircraft Corporation at Buffalo, New York. This cannon-packing fighter will take its place alongside the thousands of P-39 Airacobras which have seen action in many major engagements and campaigns all over the world.

MORE ABOUT . . .

Drunk Game . . .

swung around and hit the baby a second time

Both the dead boy and the suspect are colored. At first a white lad, slightly younger than the detained juvenile, was suspected but after a day of questioning by Chief Sanard, the colored youth now in juvenile custody, admitted hitting the Lilly boy but maintained it was entirely accidental and the result of the game he was playing.

FBI MAN HERE

Besides Coroner White and District Attorney Neblett, H. B. Higgins of the federal bureau of investigation was here to study the case as it occurred on the reservation.

The detained youth refused to be shaken in his story after a half hour of questioning.

County officials will determine later the disposition of the case against the juvenile whose 'game' resulted in the baby's death.

MORE ABOUT . . .

Col. Foerster . . .

ment as air inspector with the Western Sector with headquarters in Salt Lake City, Utah, served in this same capacity with the Central and with the Third Ferrying Group at Romulus, Michigan. Before this he was base executive officer with the 345th Air Base Squadron and executive for operations and training at the Third Ferrying Group.

Lt. Col. Foerster is married and has one child. His family are living with him in Palm Springs.

WELL QUALIFIED

Lt. Col. Higgins goes to the Fifth Ferrying Group at Love Field well qualified for his duties as commanding officer. Also a graduate of the United States Military Academy, he is a veteran of the World War I, in which he served as a captain of field artillery and won the Croix de Guerra for heroism in action. He received his pilot rating in the Air Corps Reserve and now holds a senior pilot's rating and is qualified to fly every type of military aircraft being delivered by the Ferrying Division. He has already logged more than 7000 hours of flying time.

Before returning to the service in August of 1941, Lt. Col. Higgins was executive vice-president for the Pittsburgh Equitable Meter Company of Pittsburgh, Pa.

Full Schedule of Services Again At Community Church

Dr. J. R. Macartney will preach the second of his new series of sermons on "Great Interviews of the Bible" next Sunday morning at 11 o'clock at the Community church. In the evening at the 7:30 service he will speak on "Does It Take a Fox Hole to Make a Man a Christian?"

Dr. and Mrs. Macartney returned last weekend after an interesting summer and regular church services were resumed at the Community church.

ACTIVE ALL SUMMER

The church was active all summer here with outside speakers occupying the pulpit. Credit for the successful summer services goes to Mrs. George B. French and Mrs. Leota Coble, said Dr. Macartney.

A new superintendent of the Sunday School at Community church will be named soon. Mrs. Arthur Jenner, who so ably handled this department for a number of years, has moved from the Village and her valuable services will be greatly missed.

NEW ASSISTANT

Miss Virginia Westmoreland, a graduate of Los Angeles Bible Institute and a gifted musician and pianist, will arrive early in October to serve as assistant to Dr. Macartney.

Mrs. Holly Lash Visel, musical director for the church, is also expected early next month. Until she returns, Mrs. Lois Lux will be in charge of the music.

17 Votes Cast as Three Re-Elected To Sanitary Board

Judge Guy Pinney, Clarence Hyde and George E. Roberson were re-elected members of the board of directors of the Palm Springs Sanitary district at a quiet election held Monday at the Frances S. Stevens school.

Seventeen members of the district turned out to vote and each director received 17 votes. There was no opposition.

With the hold-over members of the board, Harold Hicks and Tom Lipps, they will constitute the board for the next two seasons.

Simple Solution

When it comes to being forced to take a vacation, Editor W. W. Whitaker of the Grenada County (Miss.) Weekly knows how to make one possible despite the manpower shortage. His front page, except for one gossip column written by the editor, was a five-column ad reading: "The only way for printers to get a rest is to lock the door and walk out. That's what we are doing this week. In case of emergency, see Harry Greenfield."—Editor & Publisher.

Arthur F. Wright Named Building Inspector for City

On recommendation of City Manager Ray M. Sorum, Arthur F. Wright, deputy building inspector, was appointed building inspector and Mr. Sorum relieved of that position.

P. M. Swart, who recently returned to the city staff, was re-appointed assistant director of public works. Mr. Sorum will continue as director of public works as well as city manager.

The changes are effective on October 1.
